

Hulen Meadows Design Review Agreement for Demolition

Any property that has received a county permit to demolish improvements but that has not yet been granted approval by the Hulen Meadows ACC for new construction is responsible to leave and maintain the lot in a clean manner (i.e. no debris, waste, weeds) without any visual nuisance. A construction compliance deposit of \$1,000 is required to ensure that the site is left in good condition. The deposit will be used to bring the property into compliance, if needed. Any amount not needed to bring the property into compliance will be refunded once the property is approved for re-construction.
